

## Bratislava or Bust – Rally Prizes

Not only do you face seven days of adventure across Europe, but you can win monetary prizes whilst doing it! Below is the qualification for being able to enter the rally prizes and the prizes that are on offer.

### Qualifying for Rally Prizes

To qualify for entry into the Rally Prizes you will need to meet a gentleman's agreement. Your car will cost less than £500 to purchase or will be older than the oldest team member. (There is no limit on what you spend on doing up and decorating your car)

### Top Secret Daily Challenge

Each morning your car will receive a sealed envelope from our man in the white coat. Inside you will find a series of challenges of differing difficulties to complete in different geographic locations and different types of challenges. The harder the challenge is to complete the more rally points that will be on offer.

The more rally points that you have at the end of the day means you'll be more likely to win the daily prize and eventually the overall rally prize. It's up to you to decide what strategy you employ when it comes to completing the daily challenges.

### The Rally Prizes

There are a number of prizes that will be awarded throughout the rally. The prize value is dependent upon the number of cars, if there are more than 50 cars in the rally then the top range of money prizes available are:

  - You car, how it is decorated and your team uniform will be judged at the start of the rally and marks will be awarded for originality, effort and quality of finish
- **Winner of Daily Top Secret Challenges – 7 x £100 for winning car**
  - The car that gains the most points from the top secret daily challenge will be deemed the daily winner and awarded the prize for that day
- **Least Likely to Make It! - £100 for winning car**
  - A combination of the inspection of the cars at the start of the rally & the number of breakdowns that are experienced along the way whilst still making it to Bratislava

  - After the rally has been concluded you will have three weeks to capture the essence of your adventure across Europe, with the best video winning the prize.
- **Winner of the Bratislava or Bust Rally! - £500 for winning car**
  - The car that gains the most points from the top secret daily challenges over the seven days will determine the winning rally car in Bratislava or Bust!
